"Freemasonry is an institution that promotes moral and upright living. It promotes harmony, brotherhood, certainly relief, and truth. All of these things are needed in our society for us to live free and peacefully. And I think if more people understood that Freemasonry focuses on these virtues and can be applied to the betterment of people who are not members, they will come to us."

WISDOM

FROM THE EAST

JERRY DONATHAN, PM

Worshipful Master

Hello Brethren,

My Goodness, it's already March, this year is flying by!! Brethren we are having growing pains, we have conferred 2 FC and 1 Ea degrees in Feb. In March voting on 3 new members 2 candidates and one affiliation as well as doing 3 MM degrees if everything works out.

Check our calendar for work days etc. Remember we are just like a bee-hive the busier we are the better we like it.

Fraternally,
WM Jerry Donathan

STRENGTH

FROM THE EST

ADELBERT "AL" CAGUNGAO

Senior Warden

For the month of February, we had two outstanding conferrals: one Fellow Craft degree and one Entered Apprentice degree. Both degrees were outstanding and well attended by brethren from the district. As new members continue with their masonic journey, officers of the lodge also take this opportunity to prepare for their qualification up the ranks.

We also hosted this year's 2nd Officers School of Instruction for the 826th Masonic district. It was also a success for it was attended by all officers of the different lodges in the district.

As the season of Spring enters this March, our beloved lodge will have a busy month. Like the leaves of trees blooming in Spring, our MVL289 Beehive also grows as we initiate our knocking prospects and schedule a couple of our brethren who were patiently waiting to be raised to the sublime degree of Master Mason.

I encourage the brethren to continue with their unconditional support to the lodge.

Fraternally,

Bro Adelbert Cagungao, Sr Warden

BEAUTY

FROM THE SOUTH

SAMMY GILLO

Junior Warden

First of all, my prayers and thoughts to our Worshipful Brother Harold Whitford. WB Harold's wife who has just passed away last month of February. Also, may the Great Architect of the Universe answer our prayers and comfort to our newly passed Brother Choi Atelano's wife for her successful cervical surgery.

And now, I would like to inscribe a few lines about my experience of being one of the officers of the lodge. As we learned our duties in our respective places in the lodge, we did our learning through repetition, time and time again and in the end the concept was so inculcated in us that we were breathing to our lives by those four cardinal virtues. This is quite rewarding and worthwhile as you continued attending the events we had every Thursdays of the month.

Masonry is an attractive and serious idea, so I sincerely inspired all our fellow brethren to get a seat in the lodge as an Officer and if you have any opportunity to be on that seat, grab that chair as you won't regret it in the future. Remember, repetition is the key to success in the Officer's line.

Masonry is not only good for the personality of a brother but also for the intelligence he retains. It's a great memory and mental reservation to stay longer and kept steadfast.

Well, my brethren February is gone and we are looking forward to a busy month of March with more degrees ahead of us and new prospect members in our beehive, MVL 289!!

We are inviting the Brethren of the 826th Masonic District to a free Brunch on Saturday, March 9th, from 9am to 1 pm. Event planner, Jerico tells me that 'This will be one of Men-Vals' "Off The Chain" culinary events. Woo hoo!

Here's the Kicker tho', All (especially Men-Val & Gat brethren) Users of the lodge, are encouraged to help with a Work Party from about 10 am to 2 pm. Areas needing attention are the shrubs around the 'flag pole in front', some painting on the West side, sidewalk clean-up, general 'policing' of the grounds.

March is a special month for two of our Masonic youth orders. In the worldwide movement of DeMolay, March is DeMolay Month.

DeMolay Month is the time of year when every chapter and their members are keenly focused on two objectives- participation in activities that involve and/or serve the local community and the exemplification or practice of their vows as DeMolays.

Job's Daughters also has a reason to celebrate in the month of March. March 9th is the annual celebration of the birth of Ethel T. Wead Mick or "Mother Mick", the founder of Job's Daughters International.

BRETHREN'S CORNER

TO BE OR NOT TO BE

by *Bro Benigno Del Barrio*

Let me borrow former Inspector (now Inspector-at-Large) WB Carl Black's favorite quote after a degree conferral, "To be or not to be, that is the question . . ." Yes, it is the famous quote from Hamlet's Soliloquy in one of Shakespeare's tragedies. This particular line in itself shows the big dilemma that Hamlet was facing. As the soliloquy goes on, the dilemma is revealed as it further explores Hamlet's frustration at his inability to act in avenging his father's death, as well as feelings on the pointlessness of life.

However, my point here is not to delve on the whole theme of Hamlet's dilemma, but on the quandary that a mason is faced as he makes progress in his journey to be a better father, a better husband, a better member or a community, and a better man as a whole.

In the very short experience I have since becoming a Master Mason, the question that always nags me is why some brother masons will not pursue the very essence of what freemasonry is all about as we are taught in our obligations.

It seems typical to note that some would be initiated as Entered Apprentices, some would have passed to being Fellowcraft Masons, and still some would be raised to the Sublime Degree of Master Masons, but at some point would never return to the lodge thereafter. Of course, it is understandable if the reasons are due to inevitable changes in life circumstances, especially for those who would communicate, at least to anyone in the lodge, this kind of predicament. Nonetheless, I don't find it acceptable to note a name or two, or five or even more names of brothers who would just be out of touch, as if they just cease to exist.

This leads me to ask, is this common among lodges? Or is this a usual state of affairs in freemasonry? In this particular lodge where I belong, I always think, are there obvious reasons that we fail to comprehend that would discourage a brother from returning, from participating in the rituals, and from learning and enjoying the fellowships?

On the other hand, in my ruminations, I came to the idea of Hamlet's dilemma. But more on the context on the part of a brother in making a decision of whether to pursue the goals of freemasonry in his journey or be contented of the lesser goal of becoming a mason in name only and thus distances himself from the lodge.

Needless to say, the big chunk of the responsibility in pursuing masonic goals is on the part of the brother. But I believe that the Lodge brethren as a whole, has an important share in the responsibility of fostering BROTHERLY LOVE, RELIEF and TRUTH.

THE THREE STEPS
by *Bro Christian Bustilleon*

Greetings Brethren,

In this issue of Brother's Corner, I would like to share a short, yet a great reminder of our stages in life – **The Three Steps**.

As we all commonly know, there are three steps upon the Master's carpet and they symbolize the stages of human life:

- * **Youth (Entered Apprentice)**: This stage symbolizes a time for learning, gaining knowledge, and building a strong foundation of understanding.
- * **Manhood (Fellow Craft)**: Represents the active application of knowledge. Focus shifts to fulfilling responsibilities toward oneself, others, and a higher power.
- * **Age (Master Mason)**: A period for contemplation, evaluating the life lived, seeking fulfillment in past actions, and striving to leave a positive and enduring legacy.

To any Brothers who would like to share stories or narratives, please send an email to the Trestleboard Editor.

MASONIC EDUCATION

by Bro Bruce Flowers

CHALLENGE

by William R. Fischer

In life challenge is abundant, life is a challenge, and because of this life has meaning.

In Operative Masonry the challenge was to build a great structure from rough stone. The challenge progressed from one building to another throughout the life of the Mason. He had a purpose and worked diligently with his brothers to fulfill that purpose.

In Speculative Masonry the challenge is to build a better person through instruction, deeds, and example. The purpose is no less noble than our operative brothers purpose, just more challenging.

Over the centuries Masonry has been persecuted by those who oppose it. Through these challenges Masonry has grown and become stronger. We have faced and defeated every challenge, and become satisfied. "*Maybe too satisfied*"

Now we face a new and more fearsome challenge.

"APATHY"

As a teen, we did not care. "*Who cares?*" "*It doesn't matter.*" Now as adults many of us have the same bad habits, but it does matter. The only challenge most Masons think they have, is memorization of the degree work. The only education is teaching that memorization.

We have forgotten our young brothers who are starving for knowledge and information about Masonry. Even now it had to be ordered by the Grand Master so there would be an educational talk at every meeting.

This brings up another challenge, our educators need to be enlightened before they can instruct others. All because of the lack of education and apathy.

No one cared
No one sought
No one taught

It's time for you to:
Care
Seek
And teach, if given a chance.

Help face this challenge and help challenge others to learn, to seek, to ask and most of all to care.
